Bruno Carré

Managing Director

Bruno Carré is a graduated engineer from Ecole Centrale (Paris) and obtained his MBA from Groupe HEC. He joined Italcementi in October 2004.

His professional career started with Mercer, as consultant for manufacturing companies on strategic and organization efficiency projects. He then joined Aussedat Rey, a French paper company which was acquired in 1990 by International Paper; he held several positions including R&D, business development and Division General Manager in Europe and in the United States. From 1998 through 2004, he worked for Alcan-Pechiney as Vice President for Flexible Packaging Europe then as Vice President for Global Beauty Packaging.

Since October 2004, he has been in charge of Italcementi activities in France and Belgium which include cement, ready-mix and aggregates, as well as lime and transportation.

Bruno Carré served as Chairman for the French Cement Industry Association (SFIC) from 2008 through 2011; he was also Board member with Cembureau, EPE (Entreprise pour l'Environnement, a member of WBCSD network), and GFI (Groupe des Fédérations Industrielles).
